

*DEAR USMNEWS.NET . . . DEAR USMNEWS.NET . . . DEAR USMNEWS.NET*

Dear usmnews.net:

Am I crazy or does it seem like everyone outed on your board for what they have done to faculty members or the university ends up getting promoted, lauded, and/or getting a big pay raise? If so, do you have a waiting list to get on for such treatment?

Hopeful

Dear Hopeful,

For what it's worth, I don't think you are crazy. In fact, a number of readers have shared your observation. Over the next few weeks, usmnews.net is going to re-print a number of reports and editorials about rewards that seem to go to people who engage in conduct that most of us consider unacceptable.

In response to reader requests, usmnews.net [reprinted an editorial](#) about Dr. Anderson. The editorial seems to bear out your hypothesis. As reported on usmnews.net, Mary Anderson, associate accounting professor, was promoted last year and tenured this year.

ps: If anyone has a copy of that waiting list, please send me a copy. I'm sure a lot of people would be interested.
