

Questions to Dr. Saunders

After USMNEWS.NET reporters reached out to colleagues at the University of Wisconsin-Whitewater, some interesting claims began to emerge and reporters began to receive information concerning Dr. Saunders' alleged (mis)use of state funds during her brief tenure as Chancellor of UW-W. A number of the documents indicate that Dr. Saunders charged to her UW-W credit card, among other things, [travel expenses for her husband, Joseph Bailey](#). Sources tell USMNEWS.NET reporters that Mr. Bailey was not affiliated with UW-W, other than his capacity as first husband.

As USMNEWS.NET reporters scrutinize documents that continue to arrive, expect more reports.
