Fun Walk to White Jackets

April 26, 2008 7:13 AM |

First thing on the calendar today: The Sunrise Rotary Club's 5K fun walk to benefit the Mississippi Leukemia/Lymphoma Society. Next, a meeting with the alumni board and then the white jacket ceremony for our audiology doctoral candidates.

The President's calendar must be frightfully full to starve her reading public on news of teas, alumni news, and other social gatherings. She does not teach anything, so it cannot be that she is giving or grading exams. Perhaps she is exhausted from all of her strategic planning committee meetings. Maybe it is trying to hire more deans than she is losing. The important thing is that you are having fun, right?
